Quaker Lane Enterprises

Cheers to 20 Years!

Wow! 20 years have flown by! We have been lucky to have sold and supported an elite product in Illinois corn and soybean country. In our early days, it was Pure Line Griffith Seed Company, Sieben hybrids to now... Stone Seed. The business growth would have not been possible without the quality product but most importantly, our Employees, Associate Dealers and our CUSTOMERS. We cannot thank everyone enough that has been part of our last 20 years and we look at you all like family.

We look forward to 2023 and beyond!
We Live Here, We Farm Here, We Know Illinois.
